The Hall of Inspiration is an interactive exhibition space that covers the life and achievements of the members of the Mahidol family: His Royal Highness Prince Mahidol, Her Royal Highness Princess Srinagarindra the Princess Mother, Her Royal Highness Princess Galyani Vadhana, His Majesty King Ananda Mahidol, and His Majesty King Bhumibol Adulyadej.

The exhibition shows the characters, philosophies, and working principles of the family, as well as their efforts to find ways to improve the lives and livelihoods of the Thai people in all corners of the Kingdom through simple, practical but effective means. It also shows how the members of the family inspired each other, and how their examples can inspire so many others. It is hoped that those who visit the Hall of Inspiration, especially the young generations, will better understand the role of the Mahidol family in the country, and from the example of this family will themselves become inspired to do good for the benefit of society.

The Hall of Inspiration is open daily from 8:00am-5:00pm.
